What directories say	<p>Chambers 2024, White-Collar Crime - Switzerland "She is incredibly bright and a very strong advocate. She is very good at making persuasive arguments in very complex legal scenarios."</p> <p>Chambers 2023, White-Collar Crime - Switzerland "Fanny Margairaz has a very analytical mind, gets straight to the point, and has a profound knowledge of criminal law."</p> <p>"She is a very talented lawyer who is very dedicated to the case and who has very strong knowledge and experience."</p>
What clients say about the team	<p>"MANGEAT's work for one of our major HNWI client who is involved in the devolution of an extremely complicated, multi-jurisdictional estate case has been of critical importance. From day one of our interactions, Fanny Margairaz's and Grégoire Mangeat's competence impressed the client, as well as his advisers and lawyers in other countries. Communication and responsiveness were impeccable and immediately re-assured the client and his advisers. The complexity of the work required considerable research and expertise and both of them were able to guide us through various legal processes with a great deal of care and clarity. At the same time MANGEAT's team ensured that we, the client and lawyers in other jurisdictions involved were aware of every process detail and on the same page."</p> <p>Managing Director, Swiss entity of an international finance, accounting & administration group</p> <p>"The quality level of the work that MANGEAT attorneys provide clearly reaches the level of the first-tier big firms with which I have worked so far. The firm does also have an outstanding professional approach and sense of the client relationship."</p> <p>CEO, Swiss commodities trading company</p>
