What directories say **Legal 500, EMEA 2023, Real Estate & Construction**
"Joël Chevallaz has a unique expertise in real estate in Geneva with his double background: lawyer and real estate entrepreneur. That makes him a leading professional in Geneva and French Swiss speaking area with a know-how and precious connections. He's a deal maker and a true expert."

Legal 500, EMEA 2019, Real Estate and Construction

"Handling transactions, finance matters, environmental issues and development projects, the real estate team at Mangeat Attorneys at Law LLC assists developers, real estate companies, investors, architects and private clients located in Switzerland and France. Joël Chevallaz settled a contractual dispute and payment claims against a contractor for client Heka Constructeur d'Emotions, while Pierre Rüttimann advises Realswiss on the development of a residential portfolio in Switzerland, involving the creation and stock-exchange listing of a \$100m real estate investment fund."
